About this range

Ramadan tableware is a food-contact category, so the applicable rules are food-contact regulations rather than toy standards: EU 1935/2004 with 10/2011 for plastics, and US FDA 21 CFR. We produce plates, cups, napkins, serving trays and table covers in the traditional gold-and-ivory palette. Glass jars and bottles serve two purposes in the Ramadan home: table presentation for dates and sweets, and gifting. Because part of this range is glass and part is mirror-finish metal, packing protection matters more than for any other line we make — cartons are partitioned and tested for container shipment.

Certifications & compliance

- BSCI
- ISO 9001
- FSC
- SEDEX

Decorative items are not classified as toys. Food-contact items follow EU 1935/2004 and US FDA 21 CFR; candles follow EN 15426/15493/15494 and ASTM F2417. CN/UK/EU/US documentation can be supplied against a specific SKU.
